

A Brief Introduction to Suicide Prevention

TALK SAVES LIVES

Together, we can Diminish the Stigma!

- ***In Maryland, suicide is a leading cause of death for TEENS.***
- ***For every death by suicide, it is estimated that 25 others attempt.***
- ***9 out of 10 people who die by suicide have a mental health condition at time of death.***

Please join us for an informational session and panel discussion with representatives from FFSC, Base Chapel, Department of Health, St. Mary's County Public Schools, College of Southern Maryland, and St. Mary's Hospice.
