Just 600 nautical miles off the coast of North Carolina this enchanting island is celebrated for its pastel painted houses, brilliantly colorful gardens, cricket matches and charming shores. In addition to pink-sand beaches and excellent shopping, Bermuda's proximity to the U.S. makes it an ideal destination for a getaway cruise vacation with Royal Caribbean International. The cruise will conveniently leave from Baltimore, so there's no need for airfare. This package includes an oceanview stateroom with all fares, taxes, fees and standard recommended gratuities.
