

YOUTH MENTORING INITIATIVE

Information Session

“

Youth mentoring programs help to build resiliency, mental well-being, and important life skills; they can also be a key factor in preventing youth drug use and addiction. We want to support local faith-based and other community organizations that are currently offering or would like to launch youth mentoring programs.

Dr. Meena Brewster
St. Mary's County Health Officer

The St. Mary's County Health Department is seeking organizations that want to create or further develop local youth mentoring programs.

Open Information Session

Thursday, November 8, 2018

5:30-6:30 p.m.

**Lexington Park Library
Meeting Room A**

**21677 Franklin Delano Roosevelt Blvd
Lexington Park, MD**

Resources and technical assistance with implementing youth mentoring programs are available, as funding allows, to interested organizations. Grant funding to support this initiative was provided by the Rotary Club of Lexington Park.
