

Drive-Thru Community Flu Clinic

No time to get your flu shot?

Visit our Drive-Thru Community Flu Clinic and you won't even have to get out of your car! MedStar St. Mary's Hospital staff will administer vaccinations to those 18 and older outside the Outpatient Pavilion.

Don't forget to wear short sleeves!

Visit MedStarStMary.org for more information.

The Afluria Quadrivalent is not suitable for anyone with an allergy to any components of the vaccine, including egg proteins or those who have previously suffered an allergic reaction to any influenza vaccine.
