

Access to Care Survey

Local Hispanic Resources

The Access to Care action team is working with the St. Mary's County Hispanic Outreach Group to create a Resource Guide for the local Hispanic Community. Please answer the following questions on behalf of your organization.

For more information on the Access to Care action team and this initiative please visit: <http://healthystmarys.com/access-to-care/>

1. Contact Information

Organization

Phone Number

Address

2. Which of the following does your organization offer

- Spanish-Speaking Provider
- On-Site Translator
- Language Line

3. If you have a Spanish-Speaking Provider, what is that Physician's specialty?

4. If your organization has a Spanish-Speaking Provider or an On-Site Translator, what are their normal days/hours?

5. Please list any additional resources that you can provide for the local Hispanic Community:

A rectangular text input field with a light gray border. The field is currently empty. On the right side, there is a vertical scrollbar with a small square slider. On the bottom side, there is a horizontal scrollbar with a small square slider.
