

# MORE to explore

st. mary's county

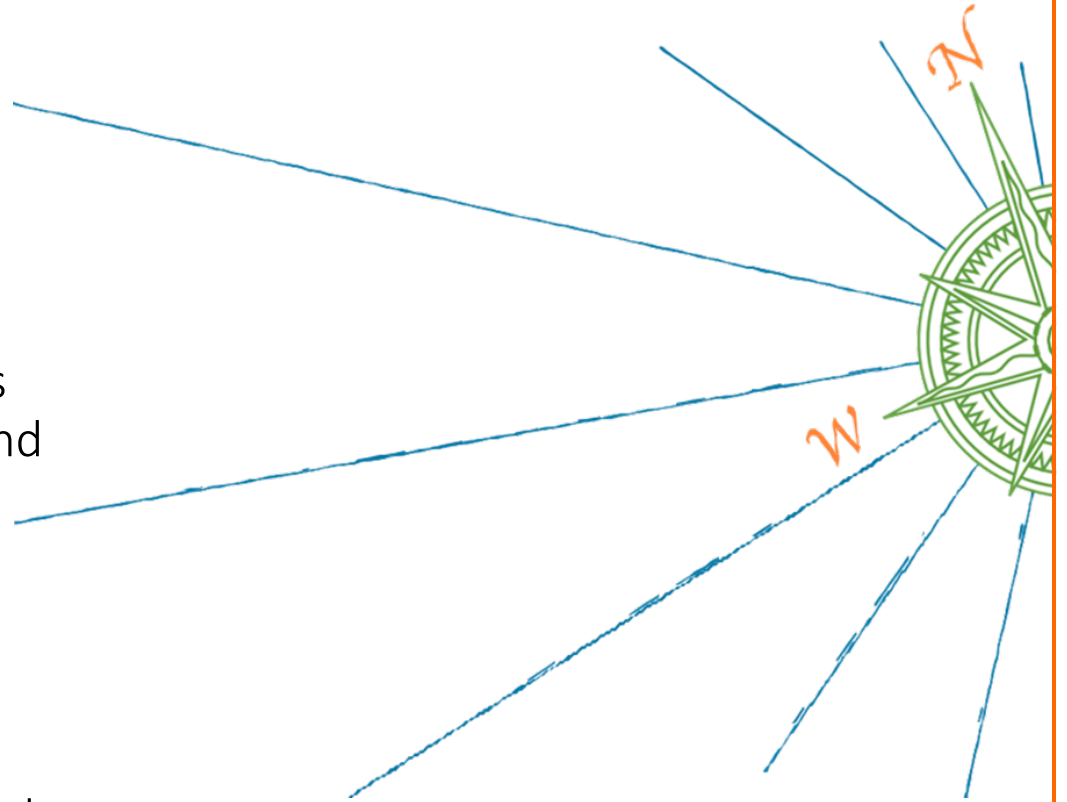

The *More to Explore* Program encourages all community members to get outside and explore the amazing parks, historic sites and farmers' markets that St. Mary's County has to offer!

When you visit a site listed on this guide, look around for a green *More to Explore* site marker. Near each marker you will find a secret code (hint: it's usually a fitness word). Log the code on this guide or online through the St. Mary's County Library's summer reading program.

**Bring this sheet back to your local library after visiting 12 or more sites for a prize!**

More information is available at:
