

**Take your shot—protect yourself from COVID-19.**

## MedStar Health COVID-19 community vaccination clinic coming to Lexington Park

The Pfizer BioNTech COVID-19 vaccine will be offered to residents of the Lexington Park/Great Mills area **Tuesday, May 25**, inside the East Run Medical Center across from Great Mills High School. The Pfizer vaccine has now been approved for children ages 12 and older and has been shown to be 95% effective at preventing COVID-19. Getting vaccinated protects you and the people around you from serious illness related to the virus.

**Register for your vaccine today by calling 301-475-6019.**

**It's how we treat people.**
