## More to Explore

The *More to Explore Program* encourages all community members to get outside and explore the amazing parks, historic sites and farmer's markets that St. Mary's County has to offer!

## Annual Challenge

Families sign up at their local library OR print the passport from [healthystmarys.com/more-to-explore](http://healthystmarys.com/more-to-explore).

Participants can earn prizes for visiting multiple sites listed in their passport and by entering the secret code they find on the *More to Explore* sign at each site. While the prize period is limited, the passport can be used year round as a guide for exploration!
