

Dear More to Explore Sponsor,

The Chronic Disease Action Team of the Healthy St. Mary's Partnership is finalizing annual updates for the *2022 More to Explore Program* for St. Mary's County. The *More to Explore Program* encourages all community members to get outside and explore local parks, historic sites and farmer's markets through an annual passport challenge. The *More to Explore* passport guides participants to these locations and offers prizes to those who visit multiple sites. This program works in tandem with the St. Mary's County Library summer reading program, which allows individuals to participate online or with a hard copy of the passport booklet. For more information, please visit: <https://healthystmarys.com/more-to-explore/>.

Sponsors are crucial to the ongoing success of this program and provide the means to offer a printed booklet option at no cost to community members. We have enclosed information on sponsorship for 2022 and are hoping for your support. There are various levels of sponsorship available and all donations are tax deductible. If you would like to support the *2022 More to Explore Program*, please mail your completed sponsorship form and check to:

Attn: Jacqueline Wells or Shan Chen
Healthy St. Mary's Partnership
c/o St. Mary's County Health Department
PO Box 316
Leonardtown, MD 20650

Checks should be made out to the Minority Outreach Coalition of St. Mary's County with "More to Explore" indicated in the memo section.

Thank you for your consideration and support of this program. If you would like more information, please contact:
