Address SDOH - employment, safety, education, housing

Grant-funded Community-based Partners

Grant-supported services: not all persons connected to primary care

- Behavioral health crisis stabilization
- Medical respite/health care coordination for homeless
- SDOH initiatives - education, safety, employment (youth mentoring, conflict resolution, minority entrepreneur/small business)

Grant-associated in-kind services: not all persons connected to primary care

- Legal services
- SDOH initiatives - housing, employment, safety/built environment
- Primary and secondary prevention services (e.g., chronic disease self-management education)
- Jail diversion programs focusing on behavioral health/rehabilitation
- Harm reduction services

Screening, Intake & Enrollment Process

Client registers into our electronic record

The electronic record assigns a unique number to the client

Upon return for services, the client signs in with either name or a unique number

The electronic record matches the entry with the database, not allowing for multiple registrations by the same client

Technology Infrastructure

Registration System

Referral platform (in development)

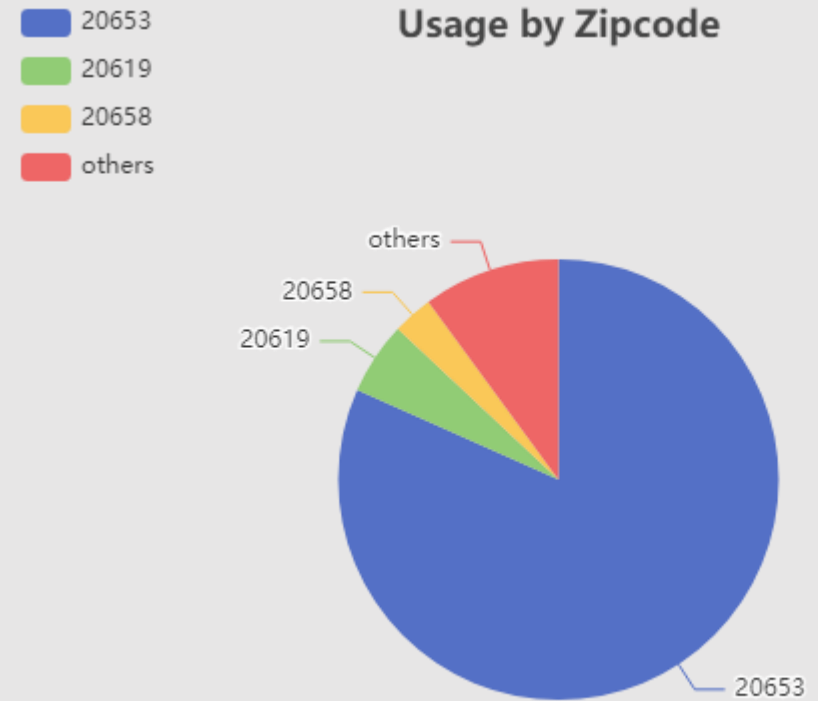

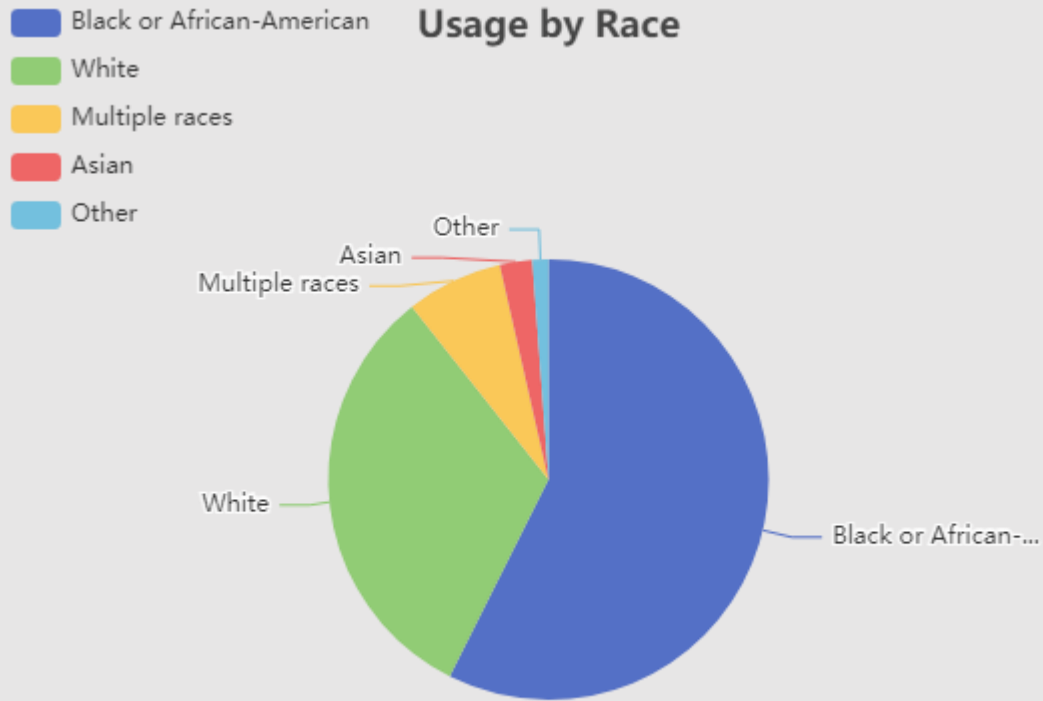

Social Determinants of Health assessment (in development)

Youth Mentoring platform (soon to be in development)

WellCheck

Individuals Served Thus Far (excludes Harm Reduction and COVID services)

Sustainability

Establish clinical billing

HERC & Opioid restitution funding

Long-term reinvestments through
local savings (hospital, public
investment)
