

Dear Community PartnerFriends of Three Oaks Center,

Three Oaks Center is a non-profit organization that provides housing and stabilization services to homeless and at-risk individuals and families in need. Financial and volunteer support from the local community for over 25 years has made this possible.

Three Oaks Center provides safe and stable housing, advocacy and support needed to find and maintain employment, ensure mental and physical health, obtain entitlements and a place to turn to in times of crisis. Our objective is to move individuals and families through a continuum of care from homelessness to permanent housing.

While we rely heavily on government grants to cover expenses associated with the services provided, we are also dependent on fundraising and sponsorships to fill in the gaps. We invite you to be a part of our efforts by sponsoring our annual handbag auction and/or annual golf tournament.

**Annual sponsorships offer valuable perks for our annual golf tournament and other events.**
