ACE Interface

(P)ACEs, Trauma & Resilience Training

**Monday, June 5th
9:30 AM - 12:30 PM**

@ The Charlotte Hall Public Library

Please join us for the Tri-County Collaborative training on positive & adverse childhood experiences, trauma, and resilience on June 5, 2023, at the Charlotte Hall Public Library on 37600 New Market Rd, Charlotte Hall, MD 20622.

By the end of this half-day training opportunity, participants will [1] better understand the effects that positive and adverse childhood experiences can have on both individual and community health outcomes, [2] discover the core concepts of resilience, [3] acquire strategies to support protective, responsive relationships that strengthen attachment & healing from adverse childhood experiences, vicarious trauma, & traumatic stress, and [4] learn about tools and practical strategies to boost resiliency.
