

Topic: ACEs

Vision: A community that is socially connected-volunteers, panel discussions, grants, studies, and wellness partnerships

Empathy Mapping:

- Children- shame, guilt, fear
- Community perception
- Families-society's definition of, "Normal"

Resource Mapping:

- Public relations, social media, local events
- Churches, local champions, politicians, and service providers that support families (WIC, schools, etc.)
- Grants, sponsorship, research, education, and animal welfare

Community Context:

- Geo-politics; economics
- White privilege, racism, and classism

Game Plan:

- Brainstorm
- Education awareness
- Surveys
- Grants
- Needs Assessment
- Asset Mapping
