

As explanation:

- Total referrals are the total number of cases referred to Teen Court from The Sheriff's Office or the State's Attorney's Office

- Number of participants are the number of the referrals that are actually accepted into the Teen Court Program. The difference from the total referrals is due generally to disapproval of diversion of the case by the Maryland Department of Juvenile Services or parents refuse participation.

| Year | Tot Referrals | # Participants | # Completed Successful |
|------|---------------|----------------|------------------------|
| 2018 | 106 | 46 | 33 |
| 2019 | 65 | 36 | 33 |
| 2020 | 43 | 27 | 24 |
| 2021 | 34 | 21 | 15 |
| 2022 | 102 | 70 | 65 |
| 2023 | 96 | 79 | inc* |

*2023 actual completion incomplete since cases are still open and being managed by the Program.
