**Story time
for kids**

**Free
seeds**

**Garden
related crafts**

Join in on the FIRST planting of the garden!

We'll be planting peas in the communal section and would love any and all help! If you'd like to join, wear clothes you don't mind getting dirty.

Take Home a Garden in a Pot

Bring your kids to learn how to transplant a seedling. Then, take it home to watch it grow!

Come winter sow tomatoes @ 1pm

Master Gardeners will guide you through the process of winter sowing with milk jugs.

Winter sowing starts your seedlings outside in a safe environment, allowing them to become extra strong and more successful.
