Good afternoon,

In reference to the Point in Time data for unhoused individuals, the supervisor of the Community Policing Unit informed me that DSS will be conducting a count on 1/24/24, so that would be the Agency you would be able to obtain that data from. I was unsure about how you wanted the data broken down with your data point requests, but this is how I was able to gather it- if you need something different let me know and I can try to help.
