Family Education Resource

- Please continue to share our online landing page, one-pager, and postcard with your networks!

Requested Updates

- The Family Education Resource was submitted to the BHAT Resource Update Form.
 - Now that our resource has been in use, please submit your findings using the Family Education Resource Feedback Form.
- Proposed additions and updates:
 - Greenwell Foundation
 - PFLAG Southern Maryland
 - The Promises Resource Center - Family Support Center
 - SMCHD Youth Mentoring Exchange
 - Reviewing other public-funded recipient targeted organizations (for those utilizing Medicaid)
 - Pathways, Pyramid, Serenity Place LLC
 - Considering maintenance in adding/updating resources moving forward.
- Updates on mobile crisis services to replace iMind:
 - Tammy- SMCHD's Local Behavioral Health Authority (LBHA) is working on a BHA Guide and analysis of St. Mary's County. More updates coming soon.
 - Local BHA is also working on finalizing a new mobile response contractor. Look for updates at our next subcommittee meeting!
- Other suggested quarterly updates:
 - Link BHA guide (once released) on the Family Education Resource website.
 - Creating a separate flyer or QR code on the current flyer to include private therapists and practices that accept private insurance.

Changes: “The Menu”

- “The Menu” Sections:
 - Educational Workshops
 - Media Campaigns
 - Parent Help Lines
 - Programs & Training
 - Support Groups
 - Resources
 - Youth Mentoring
- SMCHD Communications Suggestions:
 - The group agreed to use an icon or emoji to highlight LGBTQIIA+ friendly groups. We agreed to add it next to [PFLAG SOMD Resources](#) now.
 - The team discussed what the parameters would be to distinguish an organization as inclusive (i.e. have all their employees have Trevor project training? Do they offer queer peer support within their staff?)
 - Adding hours of operation for physical health sites on the website.
 - Removing calendar and adding training registration links.
- A [Spanish version](#) of the landing page is live, but still needs updates.
 - View and share the [Spanish Version \(1-pager\)](#)!
 - Looking into using SMCHD Language plug-ins on the HSMP webpage to make the site accessible in multiple languages in real-time.
