

Good Morning Team,

I hope this email finds you well and in good spirits. We are thrilled to announce the upcoming Halloween in the Square event, scheduled for October 26, 2024, from 1:00 PM to 4:00 PM in St. Mary's Square. We are excited to invite your organization/business to be a part of this thrilling community celebration.

Halloween in the Square has been an annual event in our community since 2020, offering a fantastic opportunity for local organizations and businesses to engage with the community, showcase their products or services, and contribute to the festive atmosphere. This year, we are planning an even bigger and spookier event, and we believe your participation would greatly enhance the experience for our attendees.

Here are some ways in which your organization/business can participate:

1. **Booth:** Set up a booth in St. Mary's Square to promote your products, services, or cause. This is an excellent opportunity for direct engagement with the local community.
2. **Sponsorship:** Consider becoming an event sponsor. Your business's name and logo will be prominently displayed, demonstrating your commitment to our community.
3. **Activities or Entertainment:** If your organization specializes in activities or entertainment suitable for a Halloween-themed event, we welcome your participation to entertain and engage our attendees.
4. **Volunteer Support:** If you'd like to contribute in a different way, we are also seeking volunteers to help with various aspects of event coordination.

We are open to creative ideas and collaboration to make Halloween in the Square 2024 a memorable and enjoyable event for all.

If you are interested in participating or would like more information, please reply to this email and sign up using the link below. We would appreciate your response by October 14 to ensure proper event planning.

Thank you for considering our invitation, and we hope to see your organization/business actively involved in making Halloween in the Square 2024 a resounding success. Your support is essential in creating a fun and safe environment for our community to celebrate Halloween. Please forward this email to other organizations/companies that may be interested in participating. Feel free to contact me if you have any questions.
