## Who We Are

UnstoppableYou Ministries, Inc. is a non-profit 501 (c) (3) faith-based organization that provides participants and their families with essential tools necessary to develop holistically (mind, body, and soul). Our goal is to provide individuals who are at risk or reentering society with an opportunity to obtain skills necessary to become self-sufficient adults today. ## Our Mission

We are designed to equip, individuals with and without disabilities including the domestic violence, human trafficking, and homeless population on how to gain access to mental health assistance through conflict resolution, career training, education, advocacy, and case management geared towards empowerment initiatives aimed to foster self-esteem while teaching various life skills that will improve the quality of life for our participants
