# 2025 Projects

- Period Poverty Toolkit
  - HSMP has a previously published toolkit, we are currently working on revamping it and adding more customizable graphics
- Cleaning up Lexington Park
  - The CDC has offered to partner with HSMP for the planning of their yearly clean up event. It will likely be in the Fall
- Collaboration with the Garden
  - HSMP will continue to sit on several committees of the garden and promote their educational classes and volunteer opportunities to improve food security
- Community Fridge
  - We met with the people who run the community fridge in Charles County and we have decided not to move forward with this project due to lack of capacity to check the fridge daily
  - Carla may have a contact to place a community fridge where it could be checked. Sasha from Three Oaks may be willing to donate a fridge for this project.
