 - We can post later on how to identify signs of teen dating violence for parents. Taylor has a document that fits this
 - Dating Matters curriculum, created by the **CDC**, focused on middle school ages. 3 step program over 3 years. i2i is a peer to peer program in the schools. We could share flyers or create
- Taylor drafting an email for **SMCPS** on what **SMCFA** can offer in terms of teen dating violence education within the schools
 - If unsuccessful, we can prepare to present to the board
 - Addressed to the admin asst. for the school board (summer may be better- Kim can help with this)
 - Include statistics from the youth risk survey. SMCFA is providing education in Calvert
