

What are you waiting for?
Get out and explore!

Name: _____

Phone Number: _____

The *More to Explore Program* encourages all community members to get outside and explore the amazing parks, historic sites, farms, and farmers' markets that St. Mary's County has to offer!

When you visit a site listed on this guide, look around for a blue More to Explore site marker. On each marker you will find a secret code (hint: it's usually a fitness word). Log the code on this guide or online through the St. Mary's County Library's summer reading program.

Bring this sheet back to your local library after visiting 12 or more sites for a prize!

More information is available at:
